14 of 14 review helpful I really enjoyed reading a book about love Faith and finding God s By Kiki A I really enjoyed reading a book about love Faith and finding God s compassion for his children The author reminds me of Ted Dekker books tamed way down I got caught up in the fact that Maddy could fall in love with Jeff after seeing his demon and then his redemption through the Orthodox church I also love how the au After 125 years of demon possession Jeffrey Lapin wants to end his life of torment A failed suicide attempt puts him in touch with Maddy an Orthodox Christian police officer whose helping hand burns Jeffrey s skin Her touch shows him the solution to his problem he will convert to Orthodoxy and say goodbye to the world when he gets baptized But Jeffrey s so focused on dying that he overlooks the first part of baptism the exorcism Parted forever from the demon that Kinard takes the forces of the unseen seriously leading us into the dark world thrashing with demons and out into the light again with the victory of Orthodox Christianity nbsp If you were raised on Frank Peretti nbsp CS Lewis nbsp and Tolkien nbsp
