stop in z trying to do a tool change the machine has been running all day no probs on a job 15 the bloodlines color code red = bad choice orange = mediocre choice green = decent choice blue = great choice sky blue = the best choice aberrant One Fine Day (VMC):

1 of 1 review helpful It s 1946 in a beautiful house in a perfect English village By Midwestern Boy This book is a forgotten little masterpiece It describes one hot summer day in the life of a 38 year old woman full of nostalgic elegiac longing It s 1946 in a beautiful house in a perfect English village The problem is that Laura and Stephen lived here before the war with two maids a cook a gardener and a nanny and It is a summer s day in 1946 The English village of Wealding is no longer troubled by distant sirens yet the rustling coils of barbed wire are a reminder that something some quality of life has evaporated Together again after years of separation Laura and Stephen Marshall and their daughter Victoria are forced to manage without those anonymous caps and aprons who lived out of sight and pulled the strings Their rambling garden refuses to be tamed the house seems Mollie Panter Downes is as profound as Katherine Mansfield restrained as Jane Austen sharp as Dorothy Parker INDEPENDENT About the Author Mollie Panter Downes was born in London in 1906 and died in 1997 In 1939
