**By Solomohn N. Ennis-Klyczek : Traces** we would like to show you a description here but the site wont allow us gather at the table tom dewolf one of the ten family members in traces of the trade has co authored with sharon morgan a new book about their journey of healing Traces:

Traces is a Christian horror novella about the dangers of unresolved sexual abuse. This creative work examines sexual trauma, investigates its spiritual strongholds, and challenges those who struggle with such trauma directly or indirectly to cast aside thoughts that support an "I'm unhealable" belief. This story is spiritually grounded in Christian teachings that emphasize God's mercy and omnipotence and is grounded in cognitive and rhetorical
