By Kyle J. Hoover : The House That Wisdom Built in 751 the second abbassid caliph abu jafar al mansur founded the city of baghdad there he founded a palace library which according to some sources evolved stanton house was built in 187980 by john thompson in 1963 it was sold to geoffrey gould a christian architect from london his vision was for stanton house to be The House That Wisdom Built:

0 of 1 review helpful Begins well By Catrina J Majack The author starts out with a fairly good storyline I found myself enjoying the first half of the story itself as a fiction he includes very interesting characters who are easy to engage with However the language King James style being neither authentic to the time period of the story s setting nor our own modern tongue was distracting rather than helpful to th The plot of The House That Wisdom built is set in the ancient Mesopotamia region in approx 3000 BC The writing style is modeled after the King James Bible giving the book a poetic and romantic effect The main character s name Agur is derived from the name of the mystery writer of Proverbs 30 Since nothing is known of this person the fictional account of him in this story weaves an intriguing link between what he learns in this book and what people can then read About the Author Kyle Hoover is Executive Pastor of First Assembly of God Church Arroyo Grande California He has a Doctor of Ministry from American Evangelical Christian University a Master of Ministry in Interdisciplinary Studies from Master s Graduate Scho
