By Cathy Bryant: Texas Roads texas state highways are a network of highways owned and maintained by the us state of texas the texas department of transportation txdot is the state agency the texas road also known as the shawnee trail sedalia trail or the kansas trail was a major trade and emigrant route to texas across indian territory later Texas

#### Roads:

26 of 27 review helpful Too much angst not enough joy By Inger Most of the book is full of stress pain and long hidden secrets Then just as things are getting straightened out the book ends All we get is the promise of happiness in the future After the amount of anguish we have to read through the least we should have been rewarded with was a wedding and maybe the mention of future children to make her joy compl From this bestselling page turner series of stand alone novels comes a dramatic romance of one woman s search for home and the Texas rancher who teaches her what homegoing really means A disillusioned heiress wants nothing more than a place to call home With lovable but quirky town folks quaint country charm and loads of business potential Miller's Creek seems like the perfect place to start over But Dani's dreams of finding home are Page Turner I absolutely loved this book I loved the bantering between Steve and Dani and the romance they shared They made the perfect couple Both stubborn and bullheaded and the humor between them was really magi
