By K.A. Gunn : The Book of Told: Mere Words the karl schappeller device was the schappeller device an engine used in german field propulsion saucers this is a possibility s e x a mere three letter word signifying sweetness and pleasure yet at the same time paradoxically spelling pain and the doom of great men The Book of Told: Mere Words:

1 of 2 review helpful Complex allegory timeless message By Pamela Harrison The Book of Told mere words by KA

Gunn is a complex allegory based on biblical images and themes. Many of the ideas especially in the first half of the book are under developed as are the majority of the vast cast of characters. Mrs Gunn's readers would have been better served by a shorter tale more focused on a smaller number of key elements. ex Brew discovers he is a single word written by an author he cannot see. This is the catalyst for a series of curious secrets which draw him unwillingly into the greatest battle literarily fought mdash the Battle of Words Sabotaged by a rival understudy within his own story the author mdash Leonard Told mdash must use what Words he can to create the most powerful statement ever declared. Brew rsquo s character must stand up to the rival rsquo s genius and sal About the Author K A Gunn is an artist and a lover of history and the Word of God Putting these together in a three dimensional timeline gracing the ceiling of her home she learned alongside her family the genius structure of the story that is being told right
