3 of 3 review helpful Mixed Feelings Nice Concept But Not My Cup of Tea By J Robideau While I love the idea of this book a story about monsters werewolves androids and zombies that helps to portray Biblical principles it just didn't really appeal to me Maybe it's because I don't read anything about zombies werewolves etc so I don't have a vested interest The story is somewhat interesting but the w What does a transformed life actually look like In his follow up to the critically acclaimed Imaginary Jesus Matt Mikalatos tackles this question in an entertaining and thought provoking way with MONSTERS While Christians claim to experience Christ's resurrection power we sometimes act like werewolves who can't control our base desires Or zombies experiencing a resurrection that is 90 percent shambling death and 10 percent life O
