1 of 1 review helpful A Book Worthy of Your Child s Library By MaryAnn Diorio My four year old granddaughter loves this book and asks to read it again and again Donna Wyland treats the complex topic of Heaven in a delightful heartwarming way that leaves a child feeling comforted and secure about going home to be with the Lord one day Ms Wyland makes clear that when one has accepted Christ as Savior and Lord one has not This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work About the Author Donna Wyland Mrs Ohio 1999 is the Director of Foundation of Hope
