0 of 0 review helpful A Profound Parable of Why Being a Sheep Under a Great Shepherd Is Good By B Justice Carmon I have known and watched Natalie grow as an artist and storyteller Only a Sheep is by far her best work yet

for its profound simplicity it s remarkably charming illustrations and a message that made me a rather sarcastic and blunt Bible teacher weep in recognition If you are a Christian teach Larry did not like being a mere sheep waiting on the shepherd for green grass and getting butted around by the goats One day Larry obtains five wishes and watch what happens This book is based on a journal entry I wrote down when God gave me light upon what it means to be a sheep A simple children s book with a powerful message About the Author Natalie Totire has illustrated more than 14 books for various authors and is the author and illustrator of seven books published online including ldquo The Littlest Donkey rdquo both in English and Spanish and ldquo Trouble in Wasadee Vall
