### Wizard of god:

1 of 1 review helpful This is the PERFECT book to read with a book club because there By Sarah Crowley Rarely if ever have I had the desire to reread a book upon completion until now There is so much symbolic symbolism thought provoking scenarios and inspirational messages that it s hard to absorb the first go round It impacted me so significantly the first time and I am excited to see who much it does the second Embark on an epic journey through a timeless and familiar landscape Grace a young woman with a troubled past is transported to a dreamlike land called god There she meets three unforgettable characters and together they set out in search of the one person who can help Grace find her way home Along the road they encounter opposing forces battling for the hearts and minds of the people of god the oppressive Idquo godvernment rdquo and the bright
