china and The Pilgrims Progress:

The Pilgrim's Progress is a Christian allegory written by John Bunyan and published in February 1678. It is regarded as one of the most significant works of religious English literature. It has been translated into more than 200 languages and has never been out of print. Bunyan began his work while in the Bedfordshire county gaol for violations of the Conventicle Act which prohibited the holding of religious services outside the auspices of the established Church of England.
