By Oscar Rafael Frias : Pseudofractal: A story of dreams, stories and ultimate reality Pseudofractal: A story of dreams, stories and ultimate reality:

1 of 1 review helpful An Enjoyable Read By Win Groseclose First of all I commend Pastor Frias for engaging in the

task of writing for his church and the people with whom he will engage in ministry History is filled with examples of how the Holy Spirit was pleased to work through the writings of the ungdershepherds remember a shepherd feeds his flock daily not just on Sundays In the spirit of George MacDona An illustration that takes you from the mundane and overly descriptive to a direct and transformational ending Go through a deep rabbit hole made of dreams and stories to discover the ultimate reality that most are completely oblivious too Stick through this short 10000 word story your life may never be the same afterward One thing is certain the ending will rock your world
