1 of 1 review helpful Fantastic book By wstewart This book is wonderfully written I really enjoyed working my way through the story Mr Palmer does a fantastic job of keeping the reader interested and wondering what will happen next I am a 6th grade reading teacher and I highly recommend this book to anyone who loves to read not to mention the wonderful biblical parallel in the story It wasn't until the end that I Sixteen year old Archibald Zwick is vacationing with his family on a remote island in the Bermuda archipelago Almost immediately on arrival he takes his kayak out into the open ocean where he soon becomes caught in a freak storm and is left disoriented and alone not knowing where he is or how to get back When fatigue and fear have almost caused him to lose hope he comes upon a mysterious city inhabited by a strange but friendly people Archie however wants on 5 stars out of 5 This book is a well written and enjoyable read It is aimed at adolescents and teens but adult fantasy readers might also enjoy it as a light read Foreword Clarion
