By John Consalvo : Earth & Evermore: The Lighted Blade (Volume 1) Earth & Evermore: The Lighted Blade (Volume 1):

It is common to believe that a soul has a future after death But what of a past before birth A past filled with great

mysteries soulmates and the elements of what makes a person truly alive As souls Jovan Bethany and Queen Amana begin such a journey on the beautiful world of Gardenia forming bonds crucial to their destinies Little do they know of what the universe holds beyond their home world The vile tyrant of the universe Khrimson and his legions of asude
