1 of 1 review helpful Decent but not great 1st book was the best By KMMR The first book in this Omnibus was fantastic the other two were only ok It starts out strong and devolves into bleh A lot of the information was just off so if you are a 40K who has read a lot of the lore stories then a few major things will not sit well with you in the 2nd and 3rd stories especially decent read 3 of 4 review helpf Like all Space Marine Chapters the Soul Drinkers are bound to serve the Imperium by ancient vows But when an ancient relic of the Chapter is misappropriated the Soul Drinkers face a terrible dilemma betray the Imperium or lose their honour Their final choice and its consequences form the theme of this classic trilogy of SF stories set in the nightmare world of the 41st millennium About the Author Ben Counter is fast becoming one of Black Library iquest s most popular authors An Ancient History graduate and avid miniature painter he lives near Portsmouth England
