13 of 14 review helpful Magical By M J Costa A charming and touching childrens novel that I didn't discover until age 52 it was written in England by a former Congregationalist minister in the time of Queen Victoria It is the story of a frail impoverished child and his family facing difficult circumstances in Dickensian London While on the

surface it seems a simple story it is a stylistically sophisticated This book was originally published prior to 1923 and represents a reproduction of an important historical work maintaining the same format as the original work While some publishers have opted to apply OCR optical character recognition technology to the process we believe this leads to sub optimal results frequent typographical errors strange characters and confusing formatting and does not adequate
