5 of 5 review helpful A whole new appreciation for this amazing author By Craig T Owens One of my favorite books is Pilgrim s Progress by John Bunyan I just finished reading Bunyan s autobiography called Grace Abounding To The Chief Of Sinners so now I cannot wait to read Pilgrim s Progress again John Bunyan s autobiography is almost solely focused around how he became a Christian and then how he defende This allegorical tale is a two person dialogue to help Christians understand and avoid deceptive and evil behavior Mr Wiseman being wise explains the nature of bad behavior to Mr Attentive who is attentively learning Mr Badman is the third person example of bad behavior As George Offor explains Idquo The author rsquo s object is to warn poor thoughtless sinners not with smooth words to which they would take no heed but to thunder upon their consciences the A dandy version It has the virtue of containing all of the marginal glosses from the original edition It also sports a brief and engaging foreword by James Fenton nbsp mdash Time
