7 of 7 review helpful I love Narnia By Astro Cat Everyone should love Narnia I was supposed to read this as a school project Needless to say that wasn't exactly a chore for me I have read the lion the witch and the wardrobe before and this really does explain every part of that from how the white witch started to how there was another world to who the professor was other than just professor and even how In the first book of The Chronicles of Narnia C S Lewis shows us how it all began the glorious birth of Narnia at the hand of its unforgettable King It is followed by six more books that collectively tell the history of a world that has become as real as our own
