By Karen with Smalley, Gary Kingsbury : Remember with the aid of a fellow auschwitz survivor and a hand written letter an elderly man with dementia goes in search of the person responsible for the death of his family a romantic drama centered on two new lovers tyler whose parents have split in the wake of his brothers suicide and ally who lives each day to the fullest since Remember:

0 of 0 review helpful Heartwarming By WYB I simply love Karen Kingsbury books Just when I think I have read her best book the next one is even better Her books are so inspiring uplifting while addressing life s issues After reading at least 17 of her books I will never read a secular novel again 0 of 0 review helpful love em By Troizana Haven t read a Karen Ki Convinced she could make it on her own Ashley Baxter has kept the most important people in her life at a distance her family the man who loves her and the God she is sure can never forgive her Now just as she begins to open her heart the events of September 11 rip into Ashley s world and she is led to heartbreaking and hope filled decisions that will forever change her life This story vividly illustrates that we must value others more than ourselves and it drives
