0 of 0 review helpful The book leaves no doubt about Vonnegut s feelings about war By DaveF There is no doubt in my mind that Kurt Vonnegut was one of the best and most interesting writers of his time And Slaughterhouse Five is surely a masterpiece of writing The backstory Vonnegut s WW II experiences is well known so I won t dwell Suffice it to say this novel is one of the greatest anti war anti violence stor Slaughterhouse Five or the Children s CrusadeThe book follows a young man Billy Pilgrim through his entire life Billy believes aliens tralfamadorians to be exact have abducted him We assume that it s through these aliens that he learns to time travel a skill he frequently uses In the book Pilgrim bounces around time to all the various portions of his life many times returning to World War II where he was captured taken prisoner and held in slaught
