4 of 4 review helpful But get a different version By A thoughtful purchaser I loved this book It s a sort of religion based version of Pride and Prejudice And the heroine Fleda even gets Mr Darcy and Pemberley in the end Queechy is dated but how could it not be It s a lovely testament to the power of faith throughout one s life Ah the store house must be filled and the mind well familiarized wit This book was originally published prior to 1923 and represents a

reproduction of an important historical work maintaining the same format as the original work While some publishers have opted to apply OCR optical character recognition technology to the process we believe this leads to sub optimal results frequent typographical errors strange characters and confusing formatting and does not adequate
